Long Beach Firemen's Credit Union has been serving fire department employees for over 85 years. While rules and regulations for credit unions and banks have changed drastically, our members are still the primary focus. We provide lower cost services that aren't fee driven and are created with our Members' needs first.

Every quarter Weiss Ratings evaluates the financial strength of more than 19,000 institutions including banks and credit unions. Our credit union has once again received a financial strength rating of "A+" or "Excellent" from Weiss Ratings, the nation's leading independent provider of ratings and analyses of financial service companies. This rating recognizes our credit union as a Weiss Recommended credit union offering outstanding financial stability for its members and employees. Achieving this Weiss rating is a true distinction.
